

Washington Unified School District

Request for Proposal

The WUSD was awarded the After School Education and Safety (ASES) grant prior to the beginning of the 07-08 school year and, in partnership with the City of West Sacramento, runs after school programs at six of the elementary school sites. WUSD's KidZone program is designed for students in Kindergarten through 5th grade and is available at: Bryte, Elkhorn, Riverbank, Stonegate, Westfield, and Westmore Oaks Elementary Schools. The Club West program is designed specifically for 6th -8th grade students and is available at Elkhorn, Stonegate, Riverbank, and Westmore Oaks Elementary schools. Each site has the ability to serve between 60-111 students and is open from the time school is out until 6:00 p.m. Students participating in the after school programs are involved in homework assistance, small group tutoring, activities focusing on academic enrichment and physical recreation. All programs are no cost to the families of West Sacramento and each student is provided daily with a nutritious snack. As of the 11-12 school year KidZone and Club West are serving almost 600 students and the enrollment continues to increase.

The Washington Unified School District is soliciting proposals for enrichment services which align to the goals and objectives of the After School Education and Safety grant. One of our goals for the programs are to provide literacy, academic enrichment, and safe, constructive alternatives for students that they normally don't have access to.
